^a Proposed COLA increased from 5.33 percent in January to 6.56 percent at the May Revision.

^b Applies to the Adult Education Program, apprenticeship programs, CalWORKs student services, campus child care support, Disabled Students Programs and Services, Extended Opportunity Programs and Services, and mandates block grant. Proposed COLA increases from 5.33 percent in January to 6.56 percent at the May Revision.

^c Under current law, apprenticeship instructional hours are funded at the regular noncredit rate. The May Revision proposes to fund these hours at the regular credit rate. The amount displayed here shows the cost of that policy change.

^d The Governor's budget proposed \$179,000 for this study. The May Revision proposes the same amount.

COLA = cost-of-living adjustment and A2MEND = African American Male Education Network and Development.
