<sup>a</sup> At UC and CSU, 1 FTE student represents 30 credit units for an undergraduate and 24 credit units for a graduate student. At CCC, 1 FTE student represents 525 contact hours per year, which on average generates about 24 credits.

<sup>b</sup> The 2015-16 budget authorizes the Director of Finance to provide UC \$25 million if UC can demonstrate by May 1, 2016 that it will enroll 5,000 more resident undergraduate students in 2016-17 as compared to 2014-15. The UC expects resident enrollment to remain flat in 2015-16.

<sup>c</sup> The 2015-16 budget directs CSU to enroll 10,400 more resident FTE students in 2016-17 as compared to 2014-15. The CSU anticipates resident enrollment to increase by at least 6,000 FTE students in 2015-16.

<sup>d</sup> Reflects funded enrollment levels.

<sup>e</sup> Includes juris doctor (JD) program only. Non-JD programs do not use residency classifications.
